ECO OUTDOOR®

NEW SUMMER SEASON | FURNITURE CATALOGUE

Introducing our new range of furniture and outdoor fabrics.

Slow down,
summer's finally here.

The way we live outdoors is different. It's messy, unhurried, spontaneous and unpredictable. It's friends dropping 'round for a last-minute BBQ or throwing a wood-fired pizza on for the lunch that somehow became a dinner. It's bring a plate and don't be too fancy; dress down, not up and mostly, it's about kinship with friends and with family.

Malua®

Deep seats and luxurious oversized cushions on a stunning teak timber frame, this is easy summer living at its best.
